

## This Time

P.o.d.

And is this where we need to be?  
Or are we tired of looking?  
Searching, for more than eyes can see  
For something to believe in  
It slipped away, fell away, tried to play yourself  
No turning back, all alone and there's nobody else  
Who even knows I'm missing

And I and I won't run this time  
It's worth more than the chance we're taking  
And I and I won't run this time  
Wanting more has got me waiting  
This time for love

And I have done this all before  
And nothing ever changes  
Waiting, gets harder every time  
I don't know how to stay still  
And nothing more left to lose, throw it all away  
May be the last chance I get to see your face  
I can't afford to leave here

And I and I won't run this time  
It's worth more than the chance we're taking  
And I and I won't run this time  
Wanting more has got me waiting

And I and I won't run this time  
I can't believe the chance we're taking  
And I and I won't run this time  
I need to know so I'll be waiting  
This time for love

And I and I won't run this time  
It's worth more than the chance we're taking  
And I and I won't run this time  
Wanting more has got me waiting

And I and I won't run this time  
I can't believe the chance we're taking  
And I and I won't run  
And I and I won't run  
This time from love
