Leaving Entropia (epilogue)

Pain Of Salvation

walk with me and see the world I see it is our home it's where we all belong

life is flair
a brittle dress we wear
a fleeting sigh
but though pointless it may seem...
live as death were but a dream

you don't have to walk their way you don't have to watch the show you don't have to play their game and you don't have to die to leave entropia

all remains... forgotten smiles in frames two fleeting lives cut down to pocket-size

walk with me and change the world we see we'll cease to be just people passing by home is where we all get by

you don't have to cry for more you don't have to have it all you don't have to win a war if death is but a dream then don't let me...

...fall asleep
