

This Could Be Heaven

Pandora

Heaven...Heaven...Heaven...Heaven...
You never know what you do to me
You turn me on then you let me be
You make me feel so glad
I wanna thank you for that
But I gotta know 'cos I'm wondering
D' you wanna lover or just a friend
Don't look at me that way
If you don't mean what you say
This could be heaven
This could be better than a fantasy
And we could be forever if we just got it together
This could be heaven
Loving beyond even our wildest dreams
This could be heavenly
This could be heaven
Heaven...Heaven...
You'll never know what you throw away
If you don't give me a chance to say
What's been on my mind
You ain't deaf dumb and blind
'Cos if you kissed me once, you can kiss me twice
Why don't you listen to my advice
Let your mind run free
And leave the rest to me
'Cos this could be heaven
This could be better than a fantasy
And we could be forever if we just got it together
This could be heaven
Loving beyond even our wildest dreams
This could be heavenly
This could be heaven
This could be heaven
beyond the wildest dreams
Heaven...Heaven...(laughter)...Heaven...Heaven...
'COs this could be heaven
This could be better than a fantasy
And we could be forever if we just got it together
This could be heaven
Loving beyond even our wildest dreams
This could be heavenly
This could be heaven
(could be heaven)
This could be better than a fantasy
And we could be forever if we just got it together
This could be heaven
Loving beyond even our wildest dreams
This could be heavenly
This could be heaven
