

# Do You Know What I'm Seeing?

Panic! at the Disco

Clouds are marching along  
Singing a song, just like they do  
If the clouds were singing a song  
I'd sing along, wouldn't you too?

If you just knew what they could do  
Oh, if you just knew, what would they do?

And if the birds are just all the words flying along  
Singing a song what would they do?  
If they just knew what they could do  
Oh, if they just knew

I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me  
I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me  
No, it never gave a damn about me

I know it's mad but if I go to hell  
Will you come with me or just leave?  
I know it's mad but if the world were ending  
Would you kiss me or just leave me, just leave me?

Clouds are singing a song  
Marching along, just like they do  
If the clouds were playing a song  
I'd play along, wouldn't you too?

If you just knew what they could do  
Oh, if you just knew, what would they do?

And if words are just hollow birds, flying along  
Singing a song what would they do?  
If they just knew what we could do  
Oh, if they just knew

I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me  
I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me  
No, it never gave a damn about me

I know it's mad but if I go to hell  
Will you come with me or just leave?  
I know it's mad but if the world were ending  
Would you kiss me or just leave me?  
Just leave me?

I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me  
I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me

I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me  
I know it's sad that I never gave a damn about the weather

And it never gave a damn about me  
No, it never gave a damn about me
