

Far Too Young to Die

Panic! at the Disco

I've never so adore you
I'm twisting allegories now
I want to complicate you
Don't let me do this to myself

I'm chasing roller coasters
I've got to have you closer now
Endless romantic stories
You never could control me

Well I never really thought that you'd come tonight
When the crown hangs heavy on either side
Give me one last kiss while we're far too young to die
We are far too young to die
Far too young to die

Fixation or psychosis?
Devoted to neurosis now
Endless romantic stories
You never could control me

Well I never really thought that you'd come tonight
When the crown hangs heavy on either side
Give me one last kiss while we're far too young to die
We are far too young to die
Far too young to die

Far too young too die

Well I never really thought that you'd come tonight
When the crown hangs heavy on either side
Give me one last kiss while we're far too young to die
We are far too young to die
Far too young to die
