

Hey Look Ma, I Made It

Panic! at the Disco

All my life, been hustling
And tonight is my appraisal
'Cause I'm a hooker sellin' songs
And my pimp's a record label
This world is full of demons, stocks and bible traitors
So I do the deed get up and leave
I climber and a sadist, yeah

Are you ready for the sequel?
Ain't you ready for the latest?
In the garden of evil
I'm gonna be the greatest
In a golden cathedral
I'll be praying for the faithless
And if you lose, boo-huu

Hey look ma, I made it
Hey look ma, I made it
Everything's comin' up aces, aces
If it's a dream, don't wake me, don't wake me
I said hey look ma, I made it

Friends are happy for me
Or they're honey-suckle phonies
Then they celebrate my medals
Or they wanna take my trophies
Some are loyal soldiers
All the thrones are rosy
And if you never know who to trust
Then trust me you'll be lonely, oh

Are you ready for the sequel?
Ain't you ready for the latest?
Ain't got enough evil
I'm gonna be the greatest
In a golden cathedral
I'll be praying for the faithless
And if you lose, boo-huu

Hey look ma, I made it
Hey look ma, I made it
Everything's comin' up aces, aces
If it's a dream, don't wake me, don't wake me
I said hey look ma, I made it, I made it
I said hey look ma, I made it, I made
I see it, I want it, I take it, take it
If it's a dream, don't wake me, don't wake me

I said hey look ma, I made it
(I'ma best believe it, I'ma best believe it)
Hey look ma, I made it
(Hey, you must be dreamin')
(I'ma best believe it, I'ma best believe it)
(Hey, you must be dreamin')
Hey look ma, I made it
(I'ma best believe it, I'ma best believe it)
(Hey, you must be dreamin')

Hey look ma, I made it
