

Cowboys from Hell

Pantera

Under the lights where we stand tall
Nobody touches us at all
Showdown, shootout, spread fear within, without
We're gonna take what's ours to have
Spread the word throughout the land
They say the bad guys wear black
We're tagged and can't turn back

You see us coming
And you all together run for cover
We're taking over this town

Here we come reach for your gun
And you better listen well my friend, you see
Its been slow down below,
Aimed at you we're the cowboys from hell
Deed is done again, we've won
Ain't talking no tall tales friend
Cause high noon, your doom
Coming for you we're the cowboys from hell

Pillage the village, trash the scene
But better not take it out on me
Cause a ghost town is found
Where your city used to be
So out of the darkness and into the light
Sparks fly everywhere in sight
From my double barrel, 12 gauge,
Can't lock me in your cage

You see us coming
And you all together run for cover
We're taking over this town

Here we come reach for your gun
And you better listen well my friend, you see
Its been slow down below,
Aimed at you we're the cowboys from hell
Deed is done again, we've won
Ain't talking no tall tales friend
Cause high noon, your doom
Coming for you we're the cowboys from hell

Here we come reach for your gun
And you better listen well my friend, you see
Its been slow down below,
Aimed at you we're the cowboys from hell
Deed is done again, we've won
Ain't talking no tall tales friend
Cause high noon, your doom
Coming for you we're the cowboys from hell

Step aside for the cowboys from hell!
