Cowboys from Hell

Under the lights where we stand tall Nobody touches us at all Showdown, shootout, spread fear within, without We're gonna take what's ours to have Spread the word throughout the land They say the bad guys wear black We're tagged and can't turn back

You see us coming And you all together run for cover We're taking over this town

Here we come reach for your gun And you better listen well my friend, you see Its been slow down below, Aimed at you we're the cowboys from hell Deed is done again, we've won Ain't talking no tall tales friend Cause high noon, your doom Coming for you we're the cowboys from hell

Pillage the village, trash the scene But better not take it out on me Cause a ghost town is found Where your city used to be So out of the darkness and into the light Sparks fly everywhere in sight From my double barrel, 12 gauge, Can't lock me in your cage

You see us coming And you all together run for cover We're taking over this town

Here we come reach for your gun And you better listen well my friend, you see Its been slow down below, Aimed at you we're the cowboys from hell Deed is done again, we've won Ain't talking no tall tales friend Cause high noon, your doom Coming for you we're the cowboys from hell

Here we come reach for your gun And you better listen well my friend, you see Its been slow down below, Aimed at you we're the cowboys from hell Deed is done again, we've won Ain't talking no tall tales friend Cause high noon, your doom Coming for you we're the cowboys from hell

Step aside for the cowboys from hell!
