Living Through Me (Hell's Wrath)

Pantera

I cannot take the take, your condition was nod awakeA selfish c ryer, boldface liar, robbing all of what you could take inStabb ed towards a death, a dirty smelling girlShit decisions, no pro visions, filling veins with juice of chaos

Painted face, olive drab, swollen hole, empty bag, Sunken eyes, whining dog, it's times like thisYou should pray for neverI bro ke your fucking mold, then threw away theCast, new religion and new provisions, it's amazing you're alive

Drop the needle and stop what you're changing intoErase the end dissolving, disgrace is needed moreSo I mended severed ties, t hrough flesh we cauterizedthe undeserving, sliming, writhing, I filled you up with watered promise

Spitting teeth, oral lust, alley fuck, angel dust, anal whore, B leeding knees, it's times like this to pray for murder

So now I've seen it all, Hells' wrath, No man has greater glory, cause now you're living through meSo I'm done with saving you, a gift unto myself, A tired savior, a wasted favor, and I'm luc ky I'm alive
