

You are responsible!  
The words to this song  
Are invisible and therefore  
Unable to be printed  
When the "beast of pantera"  
Runs loose words as such  
Do not exist!  
So whatever sounds you  
Interpret as words  
Are strickly up to you  
Remember... you are in control!  
Diamond darrell and  
The boys have created  
This flashback just  
For all you girls and  
Major praty animals  
'Cause we now hatch u like!  
Soooo crank it up!  
Listen at your own risk!  
And party down!  
P.s.  
Some sounds got on the  
Tape backwards  
We don't know how or why  
But we also don't care!  
Partytime!
