

# Shattered

Pantera

It's storming broken glass, corpses left in piles  
Ungracious bludgeonment that breaks the earth for miles  
Nothing can stop it, the day has come, from below it's catastrophic

Freezing, there's no healing  
Families are dying  
This world is shattered  
All shattered

Life crushing turbulence,  
This wrath can't be denied  
Wishing you could help your friends,  
Standing where they died  
Echoes haunting, a hollow planet, lacerations,  
Dissected nation

Freezing, there's no healing  
Everyone is dying  
This world is shattered  
All shattered

Freezing, there's no healing  
Everyone is dying  
This world is shattered  
All shattered  
All shattered  
All shattered
