

My Home (Into Infinity)

Pantommind

In the early morning,
I gazed upon the shores.
It seems I've found
what I've been searching for.
I've traveled through a lifetime,
across the seven mystic seas.
I'm not afraid to carry onward
to the far horizons.

And many kingdoms I have seen
in the land of giants and titans.
I've spent too many years,
I've heard such different stories
about those glorious kings,
but their sons and their protectors
I've not met...

And I have nothing left to lose:
I've given everything.
To live or die - it's all the same to me.
All alone I stand here, lost in shadows,
and the dreary clouds
surround me once again.

Why do I stand all my life
at a crossroads?
Who is there to show me the right way?
Something wrong is sleeping
deep inside of me.
I can't escape this...

And many kingdoms I have seen
in the land of giants and titans.
I've spent too many years,
I've heard such different stories
about those glorious kings,
but a princess and knights I've not met.

All the years the truth
I've searched for has eluded me.
I tried to see beyond
the future and the past.
Here I am at last,
I'm finally home into infinity.
Somehow I've reached
eternal peace of mind...
