Papoose

You want answers?  
I think I'm entitled, do you want answers?  
I want the truth!  
You can't handle the truth!

If ya fake, ya fake!  
(fake, fake)  
If ya wack, ya wack!  
(wack, wack)  
If ya hot, ya hot!  
(hot, hot)

Most of you rap cats  
don't appeal to me  
a lot of you says you  
keepin' it real  
but you ain't real to me  
Mack 10, Ice Cube, W C  
ya niggaz make me laugh  
double on ya, W B  
Coolio is so wacky disgusting  
most rappers on the  
west coast don't even like him  
trust me  
and E-40 I gotta talk about you  
you sound so annoying  
I just wanna smack the  
shit out you  
And Snoop?  
I don't know where to begin  
There should be a cint  
to be a millionaire and be so thin  
But on the real  
when you first go the deal  
you waz the man  
I swear to god Snoop  
I used to be your fan  
What happened?  
Now everything you make sucks  
Now you just like all these  
other commercial  
dumb fucks  
MC Ren?  
I respect you kid  
But your stow kinda died

Foxy Brown?  
Who the hell gave you that name?  
I saw you in hollom  
you look like a doof  
fuck them  
it's the shame tryin' to  
gain fame as a hoe  
you the same as the other hoes  
that came in the  
game for the dough  
Nore I never liked you and Copone  
but I can't fun on your album  
You sound better alone!  
And I don't really mean to diss you  
'cause you really seem cool  
but most of your rhymes  
sound like you never finished school  
DMX?  
No doubt you got rap songs  
but the way you stress  
your the best  
but your head is a little too blown  
You kill me with all that dog barking  
Gimme crap  
Carice one already put a song  
about gimmicks on the map  
Cannibus you reck hot 97  
On a scale from 1 - 10  
Well your's said 11  
DMX got a 9  
Nore a 6  
I'm glad you left Y - Clef  
alone  
'cause your cats didn't mix  
Mase you came real  
with DMX and alocks  
But now  
you sound more in  
best than Devil Cocks  
You represent Hollom  
but Hollom don't respect you  
And if those rumors are true  
you better get someone else protect!

If ya fake, ya fake!

Will Smith?  
Now you know damn well  
The only air you belong on  
is the one in Bell  
Even though I don't like you  
I don't hate you  
I hate when award shows  
let you win  
And less nominate you  
Onxy?  
I love y'all  
But I gotta pull your card  
You gotta be sore  
'Cause you act too hard  
Big Daddy Kane?  
I get rub off the mawn  
But you so  
When you came out with that  
Black beautiful  
in the bone  
You hurt me  
and most of your fans  
I'm glad you back out  
and keepin' it real  
Please keep it in your plans  
Charlie Baltimore  
You need more than just luck  
'Cause you suck  
and I really mean you suck!  
Camrone?  
Your first joint was off the hook  
An I liked a lot of  
songs off your album  
But look  
Horse 'N' Carrage  
Fuck me up  
that shit was wack  
And the remix  
had nothing to do  
with that track  
But I don't blame you  
Believe me I know  
the game  
Record labels  
Holly Gift Creative Controlling

is a shame!  
McCgruff his album was a hike  
But the cats he sounded with  
didn't even put the shit right
