All I Wanted

Paramore

Think of me when you're out When you're out there I'll beg you nice from my knees And when the world treats you way too fairly Well it's a shame I'm a dream

All I wanted was you All I wanted was you

I think I'll pace my apartment a few times And fall asleep on the couch Wake up early, the black and white re-runs That escape from my mouth, oh

All I wanted was you All I wanted was you All I wanted was you All I wanted was you

I could follow you to the beginning Just to relive the start Maybe then we'd remember to slow down At all of our favorite parts

All I wanted was you

All I wanted was you All I wanted was you All I wanted was you All I wanted was you
