

1. How can I decide what's right
when you're clouding up my mind
I can't win your losing
fight all the time
How can I ever own what's mine
when you're always taking sides
But you won't take away
my pride no not
this time
Not this time

R1: How did we get here
When I used
to know you so well
But how did we get here
I think I know

Interlude: Bbm--C#-G#--Fm(sudden stop)

2. The truth is hiding in your
eyes and its hanging
on your tongue
Just boiling in my blood
but you think that I cant see
What kind of man that you
are if you're a man at all
Well I will figure
this one out on my own
I'm screaming I love you so
My thoughts you can't decode

R1: How did we get here...

*: Do you see what we've done
We're gonna make such
fools of ourselves
Do you see what we've done
We're gonna make such
fools of ourselves

Interlude: F#--Ebm--Bbm--Fm--

R2: How did we get here
When I still
love you so yeah yeah
How did we get here
When I still love you so

I think I know
I think I know
There is something
I see in you
It might kill me
I want it to be true
