You think that you're the second coming Sorry to say it doesn't do it for me Must be a drag when you're so stunning In all that you are And all that you hope to be

R: You can have it all, take it all
Break it all, forsake it all
Want it all, choose it all
Use it with no stake at all
Keep it all, trash it all
Lead it just like sheep it all
Hate it all, love it all, and still
You'll have nothing
Yeah, yeah

You think that you can walk on water Better be careful, it gets mighty deep I'd be afraid of what my thoughts were You never know who'd be willing To take that leap

## R:

When you look in the mirror
Do you see any clearer
Or are you blinded
By your own vision
Or have you ever thought
That maybe you were wrong
Or do you just reside
In your illusion
