

My Little Heaven

Pat Green

Can you help me out with something
Cause I feel a little sad inside
Did you turn me on for nothing
Are you sad or satisfied
It was long before today
That I felt you were slipping away

And you can't change anything
You can't change anyone
You can't do nothing about the way I feel
You can lay into me
It won't change anything about the way I feel
About my little heaven
My little heaven
Can I pay you some attention
Tell me would it be ok
I'm a little imperfection
And your picture perfectly
And I don't think I could take it
If I thought you were trying to fake it

If you want me baby I'll be there
Take me away

And you can't change anything
You can't change anyone
You can't do nothing about the way I feel
You can lay into me
It won't change anything about the way I feel
About my little heaven
My little heaven
Can I pay you some attention
Tell me would it be ok
I'm a little imperfection
And your picture perfectly
And I don't think I could take it
If I thought you were trying to fake it
