

Easy To Love

Patricia Barber

I know too well
That I'm just wasting precious time
In thinking such a thing could be
That you could ever care for me

I'm know you hate to hear
That I adore you, dear
But grant me just the same
I'm not entirely to blame

For you'd be so easy to love
So easy to idolize all others above
So worth the yearning for
So swell to keep every home fire burning for

We'd be so grand at the game
So carefree together that it does seem a shame
That you can't see your future with me
'Cause you'd be, oh so easy to love
