Never Ending Song of Love

Patty Loveless

I've got a never ending love for you From now on that's all I want to do From the first time we met I knew I'd have a never ending love for you

After all this time of being alone We can love one another Feel for each other, from now on, oh It feels so good I can hardly stand it

Never ending love for you

From now on that's all I want to do

From the first time we met I knew

I'd sing my never ending song of love for you

After all this time of being alone We can love one another Feel for each other, from now on, oh It feels so good I can hardly stand it

Never ending love for you

From now on that's all I want to do

From the first time we met I knew

I'd sing my never ending song of love for you
