

## Don't Dream It's Over

Paul Carrack

There is freedom within, there is freedom without  
Try to catch the deluge in a paper cup  
Many battles are lost , many battles are won  
But youll never see the end of the road  
While youre travelling with me

Hey now, hey now  
Dont dream its over  
Hey now, hey now  
When the world comes in  
They come, they come  
To build a wall between us  
We know they wont win

Now Im towing my car, theres a hole in the roof  
My possessions are causing me suspicion but theres no proof  
In the paper today tales of war and of waste  
But you turn right over to the t.v. page

Hey now, hey now  
Dont dream its over  
Hey now, hey now  
When the world comes in  
They come, they come  
To build a wall between us  
We know they wont win

Now Im walking again to the beat of a drum  
And Im counting the steps to the door of your heart  
Only shadows ahead barely clearing the roof  
Get to know the feeling of liberation and relief

Hey now, hey now  
Dont dream its over  
Hey now, hey now  
When the world comes in  
They come, they come  
To build a wall between us  
Dont ever let them win
