

Only A Breath Away

Paul Carrack

You might think I keep my distance
You might think I have no plans to stay
You might think I have no weakness
But you don't understand a word I say
I tell you honestly
You know you mean the world to me
And if you're ever in need
I'll tell you where I'm gonna be

Oh yeah alright
Well I'm only a breath away
Oh yeah don't cry
Cause I'm only a breath away
Only a breath away

Never been a single moment
Never even been a day gone by
When I haven't felt your presence
Deep within my heart and in my mind

No matter where you are
I'll be with you constantly
And when you're feeling alone
All you have to do is think of me
