

# Somebody's Getting To You

Paul Davis

Saw somebody's books in your locker  
Saw somebody's name on mind  
Girl it really came as a shocker  
To know you are the killin' kind

Never knew that it would be such a bummer baby  
Fallin' in love with you  
Now I couldn't feel any dumber  
What am I gonna do

Looks like somebody's getting to you  
(Somebody's been getting to you)  
I ain't even getting through  
Don't what I'm gonna do  
(Somebody's been getting to you)  
Somebody's getting to you

(Somebody, somebody's been getting to you)  
Oh darlin'  
(Been getting through, somebody)  
I ain't even getting through  
(Tell me what I'm gonna do)  
(Somebody's been getting to you)  
What am I gonna do  
Somebody's getting to you

Well they say that the lady wants a Firebird  
I'm still in my '79  
According to the things that I've heard  
I'm just a couple of years behind

I think I saw his face in your locket  
I couldn't make it out through the tear  
I can see it getting off like a rocket  
So what am I doing here

Looks like somebody's getting to you  
(Somebody's been getting to you)  
Oh darlin'  
And I ain't even getting through  
Don't what I'm gonna do  
(Somebody's been getting to you)  
Somebody's getting to you

Well I saw somebody's books in your locker baby  
I saw somebody's heart in your eyes  
Girl it really came as a shocker  
Now don't look so surprised

I know somebody's getting to you  
(Somebody's been getting to you)  
Oh darlin'  
I ain't even getting through  
Don't what I'm gonna do  
(Somebody's been getting to you)  
Somebody's getting to you

(Somebody, somebody's been getting to you)  
Oh darlin'  
(Been getting through)  
(Somebody)  
Don't know what I'm gonna do  
(Somebody's been getting to you)  
(Somebody)  
Somebody's been getting to you

(Somebody, somebody's been getting to you)  
Oh darlin'  
(Been getting through)  
(Somebody)  
Tell me what I'm gonna do  
(Somebody's been getting to you)  
What am I gonna do  
(Somebody)  
Somebody's been getting to you
