

I'd Rather Go Blind

Paul Kelly

I suppose I should get over this
I'm not the first and not the last
To ever wake up with a hurt inside
But it just won't go away
It's getting worse now every day
And I can't find a hole that's big enough for me to crawl and hide
I'd rather go blind, I'd rather go blind
Than see you with another guy
You made a special tape for me
With songs from all your favourite cd's
I put it on today then I had to turn it off
From Junior Brown to Dr Dre
And You Am I along the way
The music only made me want to get inside your touch
I'd rather go blind, I'd rather go blind
Than see you with another guy
You robbed me of my peace of mind
Stole the taste out of the wine
You left with nothing but you took it all
Now if you sleep with someone else
I just hope it's with another girl
You know I can't compete with that at all
I'd rather go blind, I'd rather go blind
Than see you with another guy
