

I Lie Around

Paul McCartney

I lie around
All over the place

It seems that I have no choice in the matter
Roll along wheel of fortune
As you roll along I stick around
Furthermore in the country
I will lay my burden down
I lie around
I lie around
I lie around
All over the place
All over the place
All over the place
All over the place

Too long have I been the heart of the matter
All along I was only over tired and overtaken
Furthermore in the country
I will lay my burden down
I lie around
I lie around
I lie around
All over the place

So long, bye bye, it was fun while it mattered
Roll along wheel of fortune
As you roll along I stick around
Furthermore in the country
I will lay my burden down

Yes, I lie around
All over the place
All over the place
All over the place
I lie around, around.
