## **Paul McCartney**

Ah, she tastes like wine Such a human being so divine Oh she feels like sun Mother nature look at what you're done

Oh I feel like letting go Oh I feel like letting go.

Ah, she looks like snow
I want to put her in a broadway show
Ah she'll dance and dine
Like a lucifer she'll always shine

Oh I feel like letting go Oh I feel like letting go.

Oh I feel like letting go.

Ah, she sings it so
I want to put her on the radio
One day and there you are
Ladies and gentleman A brand new star.

Oh I feel like letting go Oh I feel like letting go
