

Some People Never Know

Paul McCartney

No one else will ever see
How much faith you have in me,
Only fools would disagree that it's so,
Some people never know.

Like a fool I'm faraway,
Ev'ry night I hope and pray
I'll be coming home to stay and it's so,
Some people never know.

Some people can sleep at nighttime,
Believing that love is a lie.
I'm only a person like you, love,
And who in the world can be right
All the right time.
I know I was wrong, make me right, right.

Only love can stand the test,
Only you outshine the rest,
Only fools take the rest,
Only fools take second best, but it's so,
Some people never know.
