

Somebody Who Cares

Paul McCartney

When your body is coming apart at the seams
And the whole thing's feeling low
You're convincing yourself
That there's nobody there, I know
I know how you feel...

Like somebody has taken the wheels off your car
When you had somewhere to go
Well, it's annoying
Not going to get very far, I know
But somebody cares...

There's always someone, somewhere, you should know by now
Always somebody who cares
It's happening day in, day out
Well, you know by now
Always somebody who cares...

If you don't know it, how will it find you?
How will we know your whereabouts?
But I know how you feel...

I know how you feel...

Like somebody has taken the wheels off your car
When you had somewhere to go
Well, it's frustrating
Not going to get very far, I know
But somebody cares...

There's always someone, somewhere, you should know by now
Always somebody who cares
It's happening day in, day out
Well, you know by now
Always somebody who cares...

If you don't know it, how will it find you?
How will we know your whereabouts?
But I know how you feel...
