Somebody Who Cares

Paul McCartney

When your body is coming apart at the seams And the whole thing's feeling low You're convincing yourself That there's nobody there, I know I know how you feel...

Like somebody has taken the wheels off your car When you had somewhere to go Well, it's annoying Not going to get very far, I know But somebody cares...

There's always someone, somewhere, you should know by now Always somebody who cares It's happening day in, day out Well, you know by now Always somebody who cares...

If you don't know it, how will it find you? How will we know your whereabouts? But I know how you feel...

I know how you feel...

Like somebody has taken the wheels off your car When you had somewhere to go Well, it's frustrating Not going to get very far, I know But somebody cares...

There's always someone, somewhere, you should know by now Always somebody who cares It's happening day in, day out Well, you know by now Always somebody who cares...

If you don't know it, how will it find you? How will we know your whereabouts? But I know how you feel...
