

## Write Away

Paul McCartney

You need love, write a letter, you need love write away  
Get it down, you'll feel better, send it now, write away

Hey Cinderella, did you need that other fella?  
On the wrong side of midnight your defences slipped away  
You need attention, so I think it's worth a mention  
That if I can deliver  
Well there wouldn't be no heavy price to pay

You need love, write a letter, you need love write away  
Get it down, you'll feel better, send it now, write away

You need love, write a letter  
You need love write away  
If you need to feel better, do it now, now, now write away
