

Young boy

Paul McCartney

He's just a young boy looking for a way to find love
It isn't easy, nothing you can say will help him, find love
He's got to do it for himself
And it can take so long

He's just a young boy looking for a way to find love
He doesn't need another helping hand from someone
But don't you think he doesn't understand what he wants, someone
Though independence means a lot

He's still got to be strong

He's just a young boy looking for a way to find love.

Find love, a perfect combination.
Find love, whatever you do.
Find love, a cause for celebration
And it might come looking
Come looking for you.

Find love, in any situation
Find love, whatever you do
Find love, a cause for celebration
Then it might come looking
Come looking for you

He's just a young boy looking for a way to find love
It isn't easy, nothing you can say will help him, find love
He's got to do it for himself
And it can take so long

He's just a young boy looking for a way to find love.

Find love, a time for meditation
Find love, a source of inspiration
Find love, instead of confrontation
Find love and love will come looking for you.
