

Tonight you belong to me

Paul Stanley

In a dream a long time ago
We fell in love but what did we know
Years seemed to pass as time took its toll
You're here at last, so why must you go

But tonight you belong to me, yeah
Yes, tonight you belong to me

I know you're leavin', goin' away
And I'm goin' out of my head
Well, go on and leave me, what can I say
You don't hear a word that I'll say

But tonight you belong to me
Yeah, tonight you belong to me

You belong, you belong

Well, don't say 'I love you', baby
Love isn't sorrow and pain
I hope and pray this never happens again
Well, go on and leave me, all I can say
Baby, I know you will be sorry some day

But tonight you belong to me
Oh, tonight you belong to me, hey

You belong

Oh, tonight you belong to me, yeah
Yeah, tonight you belong to me
Yeah, tonight you belong to me
Well, tonight you belong to me
