## **Birds**

**Paul Weller** 

Lover, there will be another one Who'll hover over you beneath the sun Tomorrow see the things that never come Today

When you see me
Fly away without you
Shadow on the things you know
Feathers fall around you
And show you the way to go
It's over, it's over.

Nestled in your wings my little one This special morning brings another sun Tomorrow see the things that never come Today

When you see me
Fly away without you
Shadow on the things you know
Feathers fall around you
And show you the way to go
It's over, it's over.
