## By The Time This Night Is Over

## **Peabo Bryson**

Oh ohh

Silence takes over
Sayin' all we need to say
There's endless possibilities
In the moves we can make
Your kiss is giving every indication
If this heart of mine is right

By the time this night is over
The stars are gonna shine on two lovers in love
And when the morning comes
Its gonna find us together
In a love that's just begun
By the time this night is over
Two hearts are gonna fly to the Heavens above
And we'll get closer and closer and closer
By the time this night is over

Lets take a slow and easy ride
Just lay back and let love take us over
There's magic here with you and I
And its gonna take us all the way
Lets find some kind of a deeper conversation
And darling if its right

By the time this night is over
The stars are gonna shine on two lovers in love
And when the morning comes
Its gonna find us together
In a love that's just begun
By the time this night is over
Two hearts are gonna fly to the Heavens above
And we'll get closer and closer and closer
By the time this night is over

A night like this may never come again And you wont want this lie to end Oh baby we can have it all By the time this night is over Ooh ooh ooh

By the time this night is over
The stars are gonna shine on two lovers in love
And when the morning comes
Its gonna find us together
In a love that's just begun
By the time this night is over
Two hearts are gonna fly to the Heavens above
And we'll get closer and closer and closer
By the time this night is over

## Over
