

Goodbye

Pere Ubu

This doesn't seem to be a very happy person
This says, pain
(Cigarette smoke)
This says, pain

This doesn't seem to be a very happy person
This says, pain
This says...
Shuffle

Stop striving
Stop,
stop striving
Useless
Give up
Come home
This says, goodbye

Up!
Throw it all up in the air
Crash!
Psshhh!
Bang-bang...
Bang
