

One Less Worry

Pere Ubu

What me worry?

"What?!"

Nothing

So thinking back to the past...

I was looking back,

and I was looking over things

Pretty bleak!

I was looking over things,

just wandering back there,

down there,

now here...

There

No, there!

Now here...

Here!

STOP

Okay

Well, how's it look?

Uh, not too good

Okay, let's try another one

Let's go back over here

No, up a bit

Over to the left

Up two

That one

Yeah, this is okay

This one is okay!

This one is alright!

This one is O-K!!

"David!"

WHAT!

Oh no, I don't think about it any more

What are they gonna say when they hear me?

What are they gonna say?

"David!"
