Pere Ubu

Window  
my size  
Outside  
monoxide  
Inside  
paradise  
Curtain  
no breeze

Motion  
attraction  
Here she comes  
girl  
She says  
Why don't you just go home?  
I don't know  
I guess I'll go home

Motion  
retraction  
Down the hall  
to the stairs  
Down the stairs  
to the street.  
Down the street  
to the corner  
Round the corner  
nowhere  
Nowhere to go  
I don't know  
I guess I'll just go home

Motion  
attraction  
Table  
chairs  
tv

Home  
It's home
