

Small Was Fast

Pere Ubu

I waited for you.
I waited, I waited,
I waited for you.

Was small, was fast.
Was small.
Was fast.
And I waited for you.
I waited years.

Notice the house.
Notice the landscape.
Hot!
The day was hot.
The sun went down.
The air closed in.
I got sleepy.
I was sleepy,
and I waited.
I waited.
I waited for you.
