

## No Tear

Perfume Genius

Roof comes down  
And you leave me with nothing, I  
I will shed no tear (will shed no tear)  
Earth gives way  
You leave me hanging, I  
I will shed no tear (will shed no tear)

Baby, the feeling will bloom  
With or without you  
And the core, it will turn  
with or without you

And I will carry on  
I will carry on  
With grace  
Zero tears on my face (zero tears on my face)
