

# Will-o-the-Wisp

Pet Shop Boys

I see you after many years  
On an elevated train  
Rattling above the streets of a city  
Where men don't wait in vain  
I think, my, you may have changed  
But you're such a handsome thing  
Do you still hang around that old arcade  
To see what luck will bring?

(Will of the wisp)  
The U1 is such a party train  
(Will-o-the-wisp)  
From Uhland to Warschauerstraße  
(Will-o-the-wisp)  
Emerging from below past Nollendorfplatz  
(Will-o-the-wisp)  
In search of love and laughter  
(Will-o-the-wisp)

Oh (Will-o-the-wisp)  
Oh (Will-o-the-wisp)  
Oh (Will-o-the-wisp)  
Oh

You were always such a free spirit  
A bright-eyed eager chap  
A will-o-the-wisp and charming with it  
In your battered leather cap  
(Will-o-the-wisp)  
But maybe you've gone respectable  
With a wife and job and all that  
Working for the local government  
And living in a rented flat?

(Will-o-the-wisp)  
The U1 is such a party train  
(Will-o-the-wisp)  
From Uhland to Warschauerstraße  
(Will-o-the-wisp)  
Emerging from below past Nollendorfplatz  
(Will-o-the-wisp)  
In search of love and laughter  
(Will-o-the-wisp)

And you, my former will-o-the-wisp  
Will you recognize me today?  
Give me a smile for old time's sake  
Before you run away

(Will-o-the-wisp)  
You were always such a free spirit  
(Will-o-the-wisp)  
Aren't you getting bored?  
(Will-o-the-wisp)  
A will-o-the-wisp and charming with it  
(Will-o-the-wisp)  
Who loved to be adored

(Will-o-the-wisp)  
The U1 is such a party train  
(Will-o-the-wisp)  
From Uhland to Warschauerstraße  
(Will-o-the-wisp)  
Emerging from below past Nollendorfplatz  
(Will-o-the-wisp)  
In search of love and laughter  
(Will-o-the-wisp)  
You were always such a free spirit  
(Will-o-the-wisp)  
Who came and went so much  
(Will-o-the-wisp)  
A will-o-the-wisp and charming with it  
I'm still longing for your touch  
(Will-o-the-wisp)
