

# Flava

Peter Andre

Party all night, party all night, party all night  
(roll with da' flava)

Can't bring myself to sleep  
So i get the keys to my jeep  
There's nothin' that i ain't gonna do tonight  
Dial on room number 211  
'cos i hear there's a jam that's goin' on  
The feelin' is so good in my neighbourhood

Ooh, there's somethin' special 'bout tonight  
And i know it's on  
'cause everybody's got their groove on  
I wanna let it go  
Are ya' here with me  
I wanna hear the party sing

If ya' down throw ya hands up in the air  
The mac's back wid da' flava of the year

Here we go there's a party over here  
Oh yes there is:  
(party all night, party all night, party all night)

Ain't got no time to think  
So i grab a drink  
They've got the type that i like and i ain't  
Gonna waste no time  
Back in the corner of the room  
I see the one, and she makes my heart go boom  
One smile and i am leavin' all my friends behind

Ooh, there's somethin' special 'bout tonight  
And i know it's on (it's on)  
'cause everybody's got their groove on (get a groove on)  
I wanna let it go  
Are ya' here with me  
I'm savin' party - sing it

If ya' down throw ya hands up in the air  
The mac's back wid da' flava of the year

Here we go there's a party over here  
Oh yes there is:  
(party all night, party all night, party all night)

If ya' wanna swing  
Let me do my thing  
And everybody jam with me  
(everybody, move your body)  
If ya' wanna swing  
Let me do my thing  
And everybody jam with me  
(everybody, move your body)

Thorw ya' hands in the air  
If ya' know ya' got the flava

Take it all the way  
With a man like 'dré  
Flavour in your ear  
For the year, no doubt  
'cos i got the wack jam  
So turn the party out  
I'd like to get with u  
Get busy, get down  
I wanna rock with u  
Just like bobby brown  
Drunk as hell blazin'  
Up with smoke  
Tonight's the night  
Mother \*\*\*\* no joke
