

## Easy Thing

Peter Criss

Love, love is so hard  
Love is so hard to find  
When love, such an easy thing  
Such an easy thing  
Such an easy thing to lose, yeah  
Words, words are so hard  
Words are so hard to find  
When love, such an easy thing  
Such an easy thing  
Such an easy thing to lose, yeah

When you find your love  
Will you know it's real  
When you lose it all  
Will you really feel love

Love, love is so hard  
Love is so hard to find  
'Cause love's such an easy thing  
Such an easy thing  
Such an easy thing to lose, yeah

When you find your love  
Will you know it's real  
When you lose it all  
Will you really feel love

Love, love is so hard  
Love is so hard to find  
'Cause love (love) such an easy thing (so easy)  
Such an easy thing (love is so easy)  
Such an easy thing to lose, yeah (love)

Love (love) such an easy thing (so easy)  
Such an easy thing (love is so easy)  
Such an easy thing to lose, yeah (love, love is so easy to lose  
)

Love (love) such an easy thing (so easy)  
Such an easy thing (love is so easy)  
Such an easy thing to lose, yeah (love)

Love (love) such an easy thing (so easy)  
Such an easy thing (love is so easy)  
Such an easy thing to lose, (love, love is so easy to lose)
