When we walk alone
Rocky and me
So mutch fun
Rocky's hot club
You can join with me
Rocky's hot club
Won't you be with me

He can't be anything more than me I'm a reflection (I'm a reflection) He's a reflection of me Oh oh, oh oh

Rocky's hot club You can join right now Rocky's hot club You can join right now

Christmas eve
Who knew, that you'd be there
I heard you cry
Could it be
Rocky my man
Always heard about you
Never thought I'd have
You for me
Rocky, my man
