

# You Know So Well

Peter Frampton

I got no money  
I've got no time  
I got to hurry  
Before they cut the line  
Speak to me baby  
You don't have much to say  
I killed somebody  
Just the other day

I was wrong  
Two wrongs can't make a right  
I was wrong  
I won't be seeing you tonight

I got no secrets  
As you can tell  
I made a mess of things  
You know so well  
You took my money  
And my self respect  
I had to do it  
I had to collect

I was wrong  
Two wrongs can't make a right, baby  
Yeah, I was wrong  
I won't be seeing you tonight

They have me locked up  
Here in my cell  
I have a fever, baby  
You know so well  
I woke up screaming  
Sweat all over me  
As they were tying me  
To the nearest tree

I was wrong  
Ooh, two wrongs can't make a right  
Yes, I was wrong  
I won't be seeing you tonight  
I was wrong  
Two wrongs don't make a right  
I was wrong  
Ooh baby, I won't be seeing you tonight
