

# I Shall Be Released

Peter, Paul and Mary

1. They say everything can be replaced  
Yet every distance is not near.  
So I remember every face  
Of every man who put me here.

R: I see my light come shinin'  
From the west unto the east  
Any day now, any day now  
I shall be released

2. They say every man need protection  
They say every man must fall  
Yet I swear I see my reflection  
Some place so high above this wall

R:

3. Standing next to me in this lonely crowd  
Is a man who swears he's not to blame  
All day long I hear his voice shouting so loud  
Crying out that he was framed.

R:

Any day now, any day now I shall be released
