## **Settle Down (Goin' Down That Highway)**

## Peter, Paul and Mary

I'm goin' down that highway, goin' to another town. Baby when I find what I'm looking for, well then maybe I'll set tle down.

Why don't you help me brother, I'm a stranger in your town Why don't you help me sister, and then maybe I'll settle down. Why don't you help me brother, I'm a stranger in your town Why don't you help me sister, and then maybe I'll settle down.

I worked my way from Boston to that San Francisco Bay Baby what I was looking for, I couldn't find along the way.

Why don't you help me brother, I'm a stranger in your town Why don't you help me sister, and then maybe I'll settle down. Why don't you help me brother, I'm a stranger in your town Why don't you help me sister, and then maybe I'll settle down.

Never been contented no matter where I roam
It ain't no fun to see a settin' sun when you're far away from home.

Why don't you help me brother, I'm a stranger in your town Why don't you help me sister, and then maybe I'll settle down. Why don't you help me brother, I'm a stranger in your town Why don't you help me sister, and then maybe I'll settle down.

I've worked in the mills of Pittsburgh, in the hills of Tenness ee,

Baby all I want is to find a job that will set my mind at ease.

Why don't you help me brother, I'm a stranger in your town Why don't you help me sister, and then maybe I'll settle down. Why don't you help me brother, I'm a stranger in your town Why don't you help me sister, and then maybe I'll settle down.
