

# You Know You Ghetto

Petey Pablo

when ur head is as big as ur pillow  
when ur cash is a check card in place  
when u put on panty hose instead of shaving ur legs  
when u use grease that uve used over and over again  
when u only go to church on easter and holidays  
then u ghetto belive that

course  
can u be a rich bitch and be ghetto(yes)  
just cuz ur poor does that mean that u ghetto(no)  
some people just dont understand what it means to b ghetto  
and if u gotta ask then y u never no

being ghetto is just a thing u do sometimes  
like hanging ur clothes over the oven to dry  
and ur late u gotta go and u aint ready yet  
put em on anyway and rock em half way wet  
u wear and return everything u buy  
always lookin for a discount till the day u die  
got three kids by three different guys  
put salt on ur food before u even taste it  
get a doggy bag ghetto nigga aint wasting shit

no toilet paper somebody used that last u had  
no problem just get a daily user or paper bag  
crumple it up and make it soft for ur @\$\$  
and when u flush the toilet always gets clogged up  
u no u ghetto ur soap is the size of a chicklet  
runnin to the kitchen wet for dishwasher liquid  
u waters cold cold cuz they shut off ur power  
u no u ghetto if u pee in the shower
