

Dropped

Phantom Planet

I can swear I feel the beating of a cold, cold heart
Or there's a chill, 'cause it's showing through your clothing
And as far as I can tell there is nothing under your v-neck tee
I'm begging, I'm begging, I'm begging you please now

Tell me that you want me
Tell me that you need me
Tell me 'cause I'd like to know
Won't you stop teasing me
Won't you you take it easy
Tell me 'cause I'd like to know
You're never gonna go

Drop whatcha got now
Drop whatcha got now

Everybody knows the way the eye goes
Moving like a curtain closes over the finale
From your head down to your toes
Checking you out now beyond a doubt
Make a copy in the office for the desk with the windows
In the ivory dome, you've made it, you're home
See in your sills, smiling ear to ear
You're never gonna go

Do you want me
Tell me that you need me
Tell me 'cause I'd like to know
Won't you stop teasing me
Won't you you take it easy
Tell me cause I'd like to know
You're never gonna go

Drop whatcha got now
Drop whatcha got now
Drop whatcha got now

Tell me that you want me
Tell me that you need me
Tell me 'cause I'd like to know
Won't you stop teasing me
Won't you you take it easy
Tell me cause I'd like to know
You're never gonna go

Drop whatcha got now
Drop whatcha got now
Drop whatcha got now

Tell me that you want me
Tell me that you need me
Tell me cause I'd like to know
