One More Night

Phil Collins

One more night, one more night one more night, ooh- ooh- ooh.

I've been trying ooh so long to let you know Let you know how I feel And if I stumble if I fall, just help me back So I can make you see

Please give me one more night, give me one more night One more night cos´ I can't wait forever

Give me just one more night, oh just one more night Oh one more night cos´ I can't wait forever

I've been sitting here so long, wasting time, just staring at the phone And I was wondering should I call you Then I thought maybe you're not alone

Please give me one more night, give me just one more night Oh, one more night cos´ I can't wait forever

Please, give me one more night, ooh just one more night
Oh one more night
cos´ I can't wait forever

Give me one more night, give me just one more night Ooh one more night cos´ I can't wait forever

Like a river to the sea
I will always be with you
And if you sail away
I will follow you

Give me one more night, give me just one more night Oh, one more night cos´ I can't wait forever

I know there'll never be a time you'll ever feel the same And I know it's only words But if you change your mind you know that I'll be here And maybe we both can learn

Give me one more night, give me just one more night Oh, one more night cos´ I can't wait forever

Give me just one more night, give meo just one more night Ooh one more night cos´ I can't wait forever
