

What Kind Of Love Is This

Phillips, Craig & Dean

What kind of love is this
That climbs the hill
That bears the cross
That takes the nails
What kind of love is this
That takes my place
That gives His life
And clears my name
Oh, I want to know
What kind of love is this

It's wonderful
It's glorious
It's full of grace
And full of mercy
Powerful
It's marvelous
That's what this love is
That's what God's love is

What kind of love is this
That cries alone
That tastes of death
To bring me home
Oh, I want to know
What kind of love this is

What kind of love is this
That fills my soul
That lifts me up
And makes me whole
What kind of love is this
That gives me hope
That dries my tears
And brings me joy
Oh, I want to know
What kind of love this is

Jesus, Jesus
He's full of grace
And full of mercy
Jesus, my Jesus
This is what love is
That's what God's love is
