

Strange Design

Phish

I'm needing lest restraint before
I'm needing to hit the lights and close the door
I'm fine, I'm fine cause I'm

Dripping in this strange design
None is yours and far less mine
Hold the wheel, read the sign
Keep the tires off the line
Just relax, you're doing fine
Swimming in this real thing I call life
Can I bring a few companions on this ride?

I'm feeling, my heart's not beating anymore
I'm feeling. it's alright, this happened once before
I'm fine, I'm fine cause I'm
